This season as VP U7, together with his team of amazing coordinators, they were able to implement such benefits as: Free access to goalie gear and training for U7's and creating fair and transparent policies around selecting players for teams and events so no one missed out or was left behind.

Together they also raised over \$15000 as a division and successfully reinvested it into the players by presenting every child in the division with extra special events, a personalized Chebucto Tracksuit, and 18 hours of spring and summer hockey development training, free of charge to All members of the division, and more.

These are a few small examples of what's possible when people come together for the betterment of others.

Jay has been nominated for both the VP of U9 and VP Competitive positions. Please consider voting Jay for both positions. He is ready and willing to accept and will work tirelessly with the board of directors to serve the members of our association with integrity and devotion to people and the great game we all love.
