

Chebucto Minor Hockey

2022 Preseason Schedule

Welcome back Chebucto families ! We are looking forward to getting back on the ice with our players. All U18 players will notice that they have been placed in a U15/U18 Group. This was due to low numbers at the U18 level as well as working within the Ice times we were able to secure. All players are asked to note which Group(s) you are assigned and follow the schedule below. At this time players will only be able to attend the ice times assigned to their Group(s). All ice times will be held at the Halifax Forum Complex on either the " Forum" sheet or the "Civic" sheet. Be sure to check the schedule to ensure you know which ice surface you are on.
